Family Beliefs and Traditions Form

We are requesting personal family information to create lesson plans that incorporate your child's culture and traditions into the classroom. We hope to create classrooms that bridge the gap between home life and school life. **This form is voluntary.** We hope to gain a better understanding of your family and what makes each family here at Before and After School special and unique.

Please list all the members in your household/households including blended family and extended family members, and pets: (Please put relation next to names listed)
